The screenshot shows the VeryUtils AI Marketing Tools interface. At the top, there are navigation buttons for Hunter #2, Email Sender, Submitter, WhatsApp, Google Maps Scraper, and Amazon Products Scraper. The main search area contains the text "Enter Google Map URL or Keyword: restaurant in london" and a "Search" button. Below the search bar, there are navigation buttons: Back, Forward, Stop, Refresh, and Find. The central part of the interface displays a Google Maps view of London with several red location markers. On the left side of the map, there are detailed listings for several restaurants, including Imad's Syrian Kitchen, Munchkins Restaurant London, Alexander The Great Restaurant, and Quo Vadis. On the right side, there is a table with the following data:

	PlaceID	Nar
