

How to convert from Word DOC files to DOCX files without require MS Word application installed in your system?

If you want to convert from Word DOC files to DOCX files, and your system hasn't MS Word installed, this article will useful to you.

Please by following steps to convert from DOC files to DOCX files without depend on MS Word application.

Step 1.

Please download "**VeryDOC** DOC to Any Converter Command Line" from this web page,

<https://www.verydoc.com/doc-to-any.html>

You can use "**VeryDOC** DOC to Any Converter Command Line" to convert from DOC files to HTML files first, you can use following command lines to convert from a DOC file to HTML file,

```
doc2any.exe -nooffice "D:\Downloads\test.doc" "D:\Downloads\test.html"
```

doc2any.exe application can parse DOC format directly and without require MS Word installed in your system.

Step 2.

Please download "ConvertDoc Command Line for Windows" from this web page, "ConvertDoc Command Line" software can be used to convert from HTML files to DOCX files,

<https://veryutils.com/convertdoc-command-line-for-windows>

After you download "ConvertDoc Command Line" software, you can run following command line to convert from HTML file to DOCX file,

```
ConvertDoc.exe -s -o "D:\Downloads\test.docx" "D:\Downloads\test.html"
```

"VeryDOC DOC to Any Converter Command Line" and "ConvertDoc Command Line" are all standalone software, they are not depend on any other third-party software, such as MS Word and other applications.

If you want to convert from Word DOC files to DOCX files, and without a license for MS Office application, above solution will useful to you.

btw, "ConvertDoc Command Line" software supports lots of input and output formats, the following are all input and output formats which supported by "ConvertDoc Command Line" software,
