

I would like to convert my text report PDF file to CSV file, and then save CSV file into database, I tried your PDF to Excel Converter Command Line software from this web page,

<https://veryutils.com/pdf-to-excel-converter-command-line>

I tried following command line, but it failed to work,

```
D:\temp\new-pdf2excel\pdf2excel_cmd>pdf2excel.exe --pages all -o D:\temp\spby_01.csv  
D:\temp\spby_01.pdf
```

You have 43 time to evaluate "[VeryUtils](https://veryutils.com) PDF to Excel Converter Command Line [<https://veryutils.com>]", you may purchase a full version from "<https://veryutils.com/index.php?route=product/search&search=pdf%20to%20excel%20command%20line>" web page.

[Error] Failed to create "D:\temp\spby\_01.csv" file.

```
D:\temp\new-pdf2excel\pdf2excel_cmd>
```

I still get an error....

Customer

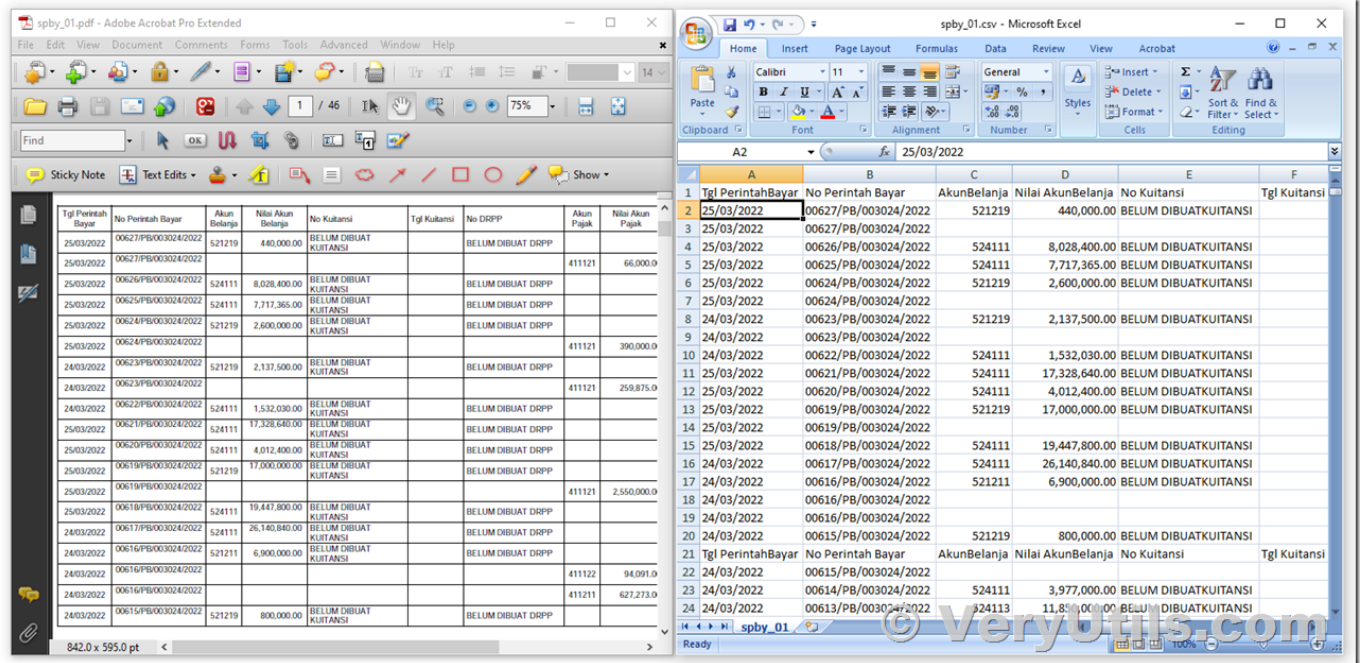

-----  
Thanks for your message, yes, this is an incompatible problem on the Windows 10 system, however, we have already fixed this problem in the latest version of PDF to Excel Converter Command Line software, we have already updated the software to the latest version to our website, you may download the latest version of PDF to Excel Converter Command Line software from this URL to try again,

<https://veryutils.com/pdf-to-excel-converter-command-line>

after you download it, you can run following command line to convert your PDF file to CSV file easily,

```
pdf2excel.exe --pages all -o D:\downloads\spby_01.csv D:\downloads\spby_01.pdf
```

please look at the source PDF file and converted CSV file in following screenshot,

btw, the old version of pdf2excel.exe does support Windows 7 system and it has some incompatible problems on the Windows 10, however, the latest version does support Windows 7, Windows 10 and later systems perfectly, so you may download the latest version from our website to try again,

<https://veryutils.com/pdf-to-excel-converter-command-line>

Please look at attached CSV file, this CSV file was converted following command line,

```
pdf2excel.exe -p all -o D:\downloads\spby_01.csv D:\downloads\spby_01.pdf
```

If you have any question for this CSV file, please feel free to let us know, we are glad to assist you asap.
