

**VeryUtils** Offer the Most Complete eBook Selling Service Available. **VeryUtils** has many options for Selling eBook Downloads. VeryUtils offers a complete Digital Goods eCommerce service for anyone to sell downloadable goods online in just a few minutes.

### VeryUtils Download Selling Service

VeryUtils provides the best service to sell downloadable items such as software, e-books, music, movies, digital art, manuals, articles, crafts, templates, files and any other downloadable contents. VeryUtils's automated service delivers your products to customers immediately after payment.

### VeryUtils Platform Features:

No other service has as many features for new and experienced sellers. Create Account

### Increase sales with VeryUtils's service

Sellers who choose VeryUtils have increased their average sales by more than 1000% from the first month of using our service.

### Sell anywhere online

Our system works everywhere, include your site, Facebook, twitter, our store, blogs, etc. We provide you with simple copy and paste links and button codes.

### Secure storage and automated delivery

Downloads are tracked carefully using a complex algorithm which helps prevent download abuse and fraudulent transactions.

### Several payment systems

Customer choice is what drives sales conversions. They need to be able to pay in a variety of methods. Credit cards, debit card, eChecks, ACH transfers.

### Import of bulk products

Do you have many digital products to sell? If so, you can easily upload them in one step using our bulk product import system.

### Affiliate system

Every VeryUtils account comes with an affiliate marketing system which handles affiliate management and affiliate product promotion.

### More great features:

- No maximum number of product limits. You can sell an unlimited number of products. Starting from one or thousands of items.
- Send free downloads. Easily send one or more products to a single or multiple recipients.
- Export product and sales history. Take your information with you, this is yours.
- Discount system. Apply discounts to your items or give out loyalty codes to boost sales.
- Easy file upload. Upload your files using our powerful website interface.
- Sample and preview files. Attach product samples or previews to let your customers try before buying.
- Enable conversion tracking. Use AdWords or third party analytics tracking programs to measure your success.
- Mailing list integrations. Have your customer email information automatically sent to mail services like MailChimp.
