

Web Scraper and Email Extractor Software

Email Extractor - Generate business email list for email campaign automatically.

<https://veryutils.com/php-web-email-crawler>

Note: Upon purchase, you will be able to download the software files directly from your member area. A license key will be sent to you immediately.

Email Extractor is a desktop software that is capable of scraping the search engines, business

directories, social media sites, and own website lists for business contact details. The search engine scraper will scrape all business contact details from your keywords and then merge them into one excel file. The email spider will scrape the business name, website, emails, address, social media links, country, and geo-location into a single Excel file or text file.

Web Scraper and Email Extractor Software Core Features:

- \* Options to scrape Google, Bing, Yandex, DuckDuckGo!, AOL, Facebook, Twitter, Instagram, Yellow Pages, Yelp, Google Places/Maps.
- \* Keyword Magic Tool for generating keywords for scraping.
- \* Content and Domain name filters to skip websites not containing your keywords in the meta titles/descriptions/HTML text.
- \* Multi-Threading for faster scraping
- \* Proxy and captcha solving integrations.
- \* Email List cleaner to clean the scraped database on the basis of your criteria.
- \* Suppression tool to remove records on the basis of your black list (email/website) or add a custom note to each record.
- \* Merging tool to merge multiple databases together.
- \* Splitting tool to split databases on the basis of records and countries.
- \* Option to update all existing records within an existing database.
- \* Option to update a database by scraping more leads on top.
- \* Ability to automatically resume the software in case of a crash.
- \* All results are automatically saved to a custom folder.
- \* Runs only on Windows, Mac and Linux operating systems.
- \* VPS friendly.
- \* Works with VPNs.
- \* Support Command Line operation.
- \* Full PHP source code available to you after purchase.
